MAIL RAIL RIDE

Located deep beneath the streets of the capital is London's secret 100-year-old Post Office railway. In mid-2017, the Mail Rail tunnels opened to the public for the first time, as an immersive ride through its narrow network of hidden tunnels.

Once inside, your guests will embark on a thrilling journey 30ft underneath the streets of London. Each train can accommodate up to 20 guests with a journey time lasting 15 minutes. The trains are available to hire for up to 3 hours.
